God and Mammon God, Money and Possessions February 27 and March 6

What is the relationship between the kingdom of God and your money? How about following Jesus and the American Dream? How do you know if you are gripped by materialism or consumerism? Should you sell everything and give to the poor? Why is it almost impossible for the rich to enter the kingdom? Since Americans are in the top 6 % in the world in wealth, are we the rich? Is there a way to enjoy possessions and use them in godly ways but be free of the things they can do to us? Can you own them without them owning you? Can Jesus kingdom teaching set you free?

Come study with us February 27 at 9:00 a.m. Tom Jones teaching.
